

SAPPHIRE CORPORATE SOLUTIONS

Crafting Business Success.

Dear Customer/Supplier

Our name is changing!

As from **1 June 2018**, we will no longer be known as Sapphire Logistics (Pty) Ltd., but as:

Sapphire Corporate Solutions (Pty) Ltd.

We believe that Sapphire's name change better reflects the full ambit of our service and product offering to our client base.

Additionally, it represents the diversification of services that has increased our reach into the market and the industry sectors in which we operate.

In terms of our fiduciary and FICA information, **our registration number, banking details, B-BBEE Level (2) and VAT Number stay exactly the same**, so there is no change required other than the name itself.

Our client invoices will reflect the name change from **1 June 2018**.

We assure you of our continued support and commitment to service excellence, and please do not hesitate to contact us should you require any further information.

Yours faithfully
